Save as a single page pdf with the crop marks turned on, make sure your grid is not going to print!

You can bring your own paper (French paper is 80lb text) or have them print on the heavier weight paper that they have.

Print, Trim to 10.5x11 and Gum Bind. Do not wait until Thursday morning to give them the files!

They do not have to get your project done on time. You need to get the files to them in a timely manner.
